What your board is working on:

- **First Annual 4th of July Boat Parade:**

All who participated in this summer's parade had boat-loads of fun. We had about 16 boats/pontoons. Join us next year!!!

Front row: Lady Liberty – Trish Brewinski, Abe Lincoln - Isaac Conrad, Uncle Sam - Scott Conrad, Jill & Bob Anderson. Background is Elijah Conrad, Paul Brewinski, & Tim Bohlman

- **Boat Inspections:**

LPLA and Helga and Rockwood Townships contributed funds to provide 1000 hours of boat inspections for our access this year. Our own **Mary May**, was one of the inspectors. Good job, Mary!

- **Southwest Public Access:**

The DNR completed major repairs to our Public Access in mid July. They dredged out the ramp making it deeper and put in new concrete planks on which to back in. The access was closed for a few days in the middle of the week while the work was completed. It was a great improvement and made launching and loading boats and pontoons much easier and safer. Now we hope and pray it makes it through the winter without significant ice push damage.

- **The Picnic/Annual Meeting:**

Once again, LPLA provided a great venue at **Balsam Beach Resort** for visiting with our lake neighbors, sharing a wonderful meal and getting a chance to win lots of fun door prizes!!
