What your board is working on:

- A Great 4th of July Boat Parade!!

This July 4th about 12 boats and pontoons joined the procession around the lake with an enthusiastic audience on the shore. Consider being part of the parade next year!!

- Continuing Boat Inspections to Prevent AIS (Aquatic Invasive Species)

From May to September, the Lake Association in conjunction with Helga & Rockwood townships has funded Boat Inspections to check for AIS. To date, Lake Plantagenet is AIS-free!!!

- The Annual Meeting/Picnic

Our August 31st event was held on a perfect day—no rain and not too hot. Everyone enjoyed the chance to talk to neighbors and to support our lake community.

We raised over \$2,080 for our AIS inspections. Thanks to everyone for their commitment to enhancing the quality of our beloved lake.

LPLA Membership Update

“**Thank You**“ to everyone who has registered and paid their membership fees for 2020. For those who have not yet done so, please let this serve as your reminder. Current membership for 2020 is down significantly. We have about 63 members of which 13 are associate members. There are about 143 landowners on Lake Plantagenet. **So, currently approximately one third of the landowners are registered members of LPLA for 2020.**

Membership in LPLA (Lake Plantagenet Landowners Association) is important to the long term well-being of our lake. LPLA serves as the conduit between the counties, DNR and other agencies. LPLA is a member of Hubbard County Coalition of Lake Associations and Beltrami County Lakes and Rivers Association. These

organizations help keep us informed on many issues that impact our lake. LPLA coordinates AIS (Aquatic Invasive Species) prevention and control as well as water quality and clarity testing. LPLA also works with the DNR on fishery management, put out shallow water marker buoys, publishes a lake directory, hosts our annual meeting and picnic, and facilitates several other activities.

Please take this opportunity to update your membership as well as invite your neighbors to join. A number of properties have changed hands and we need to welcome these new Lake Plantagenet property owners and invite them to join LPLA. The annual meeting and picnic is a great opportunity to meet and visit with other Lake Plantagenet property owners.

Cordially,
Paul Brewinski
LPLA President

PS: Have a Great Holiday and Winter Season!!!
