What your board is working on:

- **A Website for Lake Plantagenet**
Beau Seeger has graciously been advising the Board about setting up a **Lake Plantagenet Website** to post photos, get meeting minutes, view the newsletter and get other updates. More details later on this exciting development.
- **Fourth of July Boat Parade:**
There was a small but enthusiastic group of boaters this year that made its way around the lake to the cheers and waves of those on shore.

- **New Directories are here!**

The Board will hand-deliver the new directories to 2022 members. The directory is packed with new information, history, AIS identification, water safety issues and the names and addresses of your lake community members!! A very handy item to have.

• **AIS Boat Inspections**

A Hubbard County AIS inspector found several zebra mussels on dried vegetation attached to a boat trailer on a boat arriving at Lake Plantagenet over the Labor Day Weekend. The boat was not allowed to launch until it was brought into compliance. The boater indicated that the boat had last been used on Lake Plantagenet. Since the zebra mussels were found on a boat, and not in the lake itself, Lake Plantagenet will not be listed as an infested lake at this time.

• **Annual Picnic/Meeting:**

On September 5th, LPLA had a very different Picnic/Annual Meeting. Unlike other years, when we were able to meet at Balsam Beach Resort or The Thunderbird Camps, it was the Eagles Club in 2021!!!

- The food was plentiful, the prizes were amazing—especially the much-coveted Clint-made Adirondack chair set—and the members were glad to gather again.
- Money was raised in our continuing effort to thwart AIS in our precious waters.
- New Board members were elected—**WELCOME TO: Jane Kilgore and Moe Webb.** Thank you to the outgoing members, **Mary May and Alan Colliander!!** Both of whom have volunteered many hours to our organization!

There was a great deal of discussion about the incredibly low lake levels this year. Many lakeshore owners had to remove their boats and pontoons in August to ensure that they could be removed.

The Winners:

Bob & Jill Anderson are big winners!!

Pam Rice won the paddleboard!!
